## FINAL REPORT

All RIFP grants require that a Final Report be submitted to the Office for Nursing Research within six months of the Grant End date.

**\*\*Please note:** Failure to submit a timely Final Report may jeopardize your ability to receive future Intramural Funding.

## CONTENT OF FINAL REPORT

list of 4 items

1. List any publications generated from the RIFP grant, in reference list form. If not yet published, list where they were submitted.
2. List any presentations generated from the RIFP grant.
3. List any extramural grants that you have applied for based on data from the RIFP grant.
4. Include a 200-300 word abstract on what was accomplished during the grant period, including purpose, method, and results.

list end

Research and Intramural Funding Proposal policy requires acknowledgement of support from indirect cost funds and/or other funding sources in any future publications resulting from an RIFP funded study.
