*The following statement must be signed by the proposed committee chair indicating concurrence before the student's committee is formed:*

"I certify that this student has been advised of the need to be fully in compliance with the University of Washington Human Subjects Division and Institutional Animal Care and Use Committee's requirements for University of Washington researchers, and that research being conducted for this student project under my supervision will be in compliance. The rights and welfare of human and/or animal subjects will be safeguarded during the conduct of master's/doctoral research. The student has further been advised that review by these boards must take place prior to data collection for the work to be accepted as a valid master's thesis, master's project, doctoral capstone project, or doctoral dissertation."
